

Competitive Obedience Problem Solving Seminar
Sponsored by the Charleston Dog Training Club
June 27/28, 2020

The Charleston Dog Training Club is pleased and excited to offer a competitive obedience seminar!

Saturday and Sunday, June 27/28, 9:00-5:00.

Lunch is from 12:30 to 1:30 on your own.

We will begin on time so please arrive early to settle dogs if you have a working spot. There are a few crates available but please be prepared with one in case of need.

The presenter, Michele Pouliot, has earned 4 OTCH Titles on Labradors and a Springer. She titled numerous breeds (including Great Danes) during her competitive obedience

days and successfully competed in several National Obedience Events.

Michele discovered clicker training in 1999 and has become an internationally renowned positive reinforcement trainer. Since 2006 she has competed to the highest levels of canine musical freestyle, earning 7 Championships on 4 different dogs. Michele is often referred to as "a trainer's trainer" with over 45 years of experience working with dogs and horses.

Michele is a highly sought after presenter worldwide on competitive dog sports (Obedience, Rally, Freestyle) and problem solving.

This will be a Your Workshop/Problem Solving workshop! You get to choose what you would like covered!

Working spots will be limited. CDTC members have first dibs until March 1. On March 1 the seminar will be open to non members as well.

Registrations must be received by May 1 to have topics considered.

Cost for working spots: members/non members \$270/290

Cost for auditing: members/non members \$135/155
